

Whatever your mood...

...switch it on

# basalte™

SWITCH TO EVERYTHING

basalte switches are innovative and highly developed. Using touch-sensitive technology, basalte offers the most sober and user friendly interface you can imagine: one touch controls it all.

The basalte switches provides home control experiences that are a pleasure to use and never as easy to turn on or of.

You will recognize the basalte collection by it's blend of minimalist design, exclusive materials and timeless sophistication. sentido, tacto, and mona: three products designed to put comfort at your side by one single touch.
