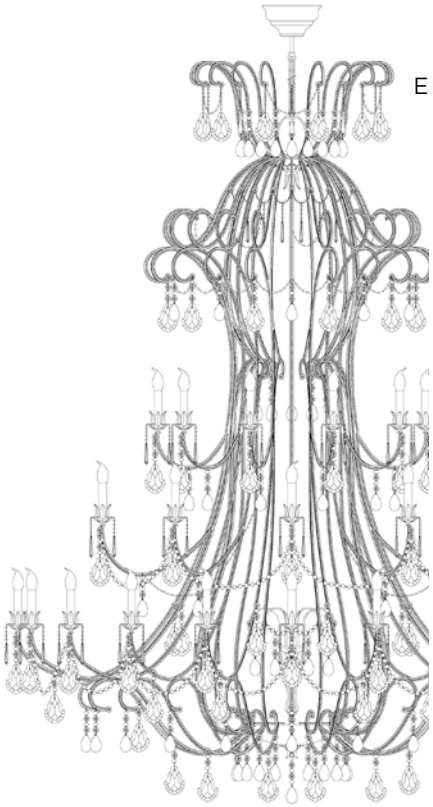
LA VIE EN ROSE

VIVERE LA VITA CON OTTIMISMO, ELEGANZA E ORIGINALITÀ PER CIRCONDARSI DI BELLEZZA, VALORE E CREATIVITÀ.

LIVE LIFE WITH OPTIMISM, ELEGANCE AND ORIGINALITY TO SURROUND YOURSELF WITH BEAUTY, VALUE AND CREATIVITY.



Renzo del Ventisette presenta tre collezioni dal gusto moderno per rispondere alle nuove esigenze del vivere l'oggi. Un oggi frenetico ma ricercato, di lusso ma accessibile, di design ma anche di pregio nei materiali che significa bellezza senza tempo sia nel gusto che nella qualità finale del prodotto. Da qui nasce AUJOURD'HUI: collezioni ricche di novità nelle forme e nei materiali ma anche nel design e nella modularità e personalizzazione dei prodotti agli ambienti.
Un catalogo che raccoglie e racconta la voglia di una nuova sobrietà che parla di bellezza, purezza e giovinezza per guardare al futuro con tenacia e fiducia riempiendoci gli occhi e la vita con un "tocco di rosa".
Renzo del Ventisette presents three modern collections to meet the new needs of today's life. Frantic but elegant, luxurious but accessible, stylish but also made from fine materials, to bring timeless beauty to both the taste and final quality of the product.
This is the inspiration behind AUJOURD'HUI: collections featuring new shapes and materials but also a new design, modular solutions and space personalization.
The range includes and expresses a new desire for sobriety that evokes beauty, purity and young energy to look at the future with determination and hope, bringing a "touch of pink" into our lives.

Ogni prodotto nasce da mani artigiane esperte e dall'esperienza nelle lavorazioni di materie prime originali, sapientemente combinate, per uno stile rinnovato ma con radici nella tradizione.
Each product is made by expert and experienced hands thanks to traditional processes with original raw materials, skilfully combined to obtain a new style while respecting tradition.
